Wine Business Monthly, 'Hot Brands,' February 2019

The first Napa producer to make single vineyard, variety, vintage dated canned wines.

Winemaking Notes:

Produced from a single block of Zinfandel on the Poor Ranch Vineyard in Hopland, Mendocino, 'Passadore Block,' which was planted in 1952, and is head trained, dry farmed and certified organic. Farmed by 5th generation grape growers John, John Samuel and Susan Poor.

We pressed the whole bunches of Zinfandel immediately after they arrived at the winery on September 17th. Fermentation started and finished naturally in a stainless steel tank. Light pink/orange hue. Low added sulfites, lightly carbonated, unfiltered.

Sans Wine Co. is owned and operated by husband/wife team, Gina Schober & Jake Stover
